

Instructions for preparing presentations and posters for the River Basins Conference

Instructions for oral presentations

For our River Basins Conference 2024, we prefer to give more room to discussions right after the presentations. In this sense, you will have 15-20 minutes to present your topic, followed by a 10-15-minute discussion (30 minutes in total).

Slides accompanying oral presentations should be prepared in MS PowerPoint or equivalent software, slide ratio 16:9, landscape format. Please name the file by the ID number of the submission, the first author, and an abbreviation of the title, separated by underscores. These data were communicated to you in the “notification upon acceptance” email, sent out on 22/March. Example for a file name: “59_Smith_The_new_uwwtd_ORAL.pptx”. Please upload your slides by 31/May to [this folder](#).

Instructions for poster pitch presentations

You will have 2 minutes to present your topic, so please prepare not more than two slides:

- 1st slide informing about the authors, their affiliation and the title of the poster
- 2nd slide informing about the main findings of the presented research.

Slides should be prepared in MS PowerPoint or equivalent software, slide ratio 16:9, landscape format. Please name the file by the ID number of the submission, the first author, and an abbreviation of the title, separated by underscores. These data were communicated to you in the “notification upon acceptance” email, sent out on 22/March. Example for a file name: “59_Smith_The_new_uwwtd_POSTER.pptx”. Please upload your presentation by 31/May to [this folder](#).

Instructions for preparing posters

Space for posters is of size 900 x 1500 mm (landscape format). Posters should be grayscale or color, preferably in A0 or A0+ portrait format. Please print your material in advance. If you do not wish to travel with your poster, you might want to print it before the conference day [here](#) or [here](#).

Materials for hanging the posters (walls, pins/tape) are provided in the conference place.
